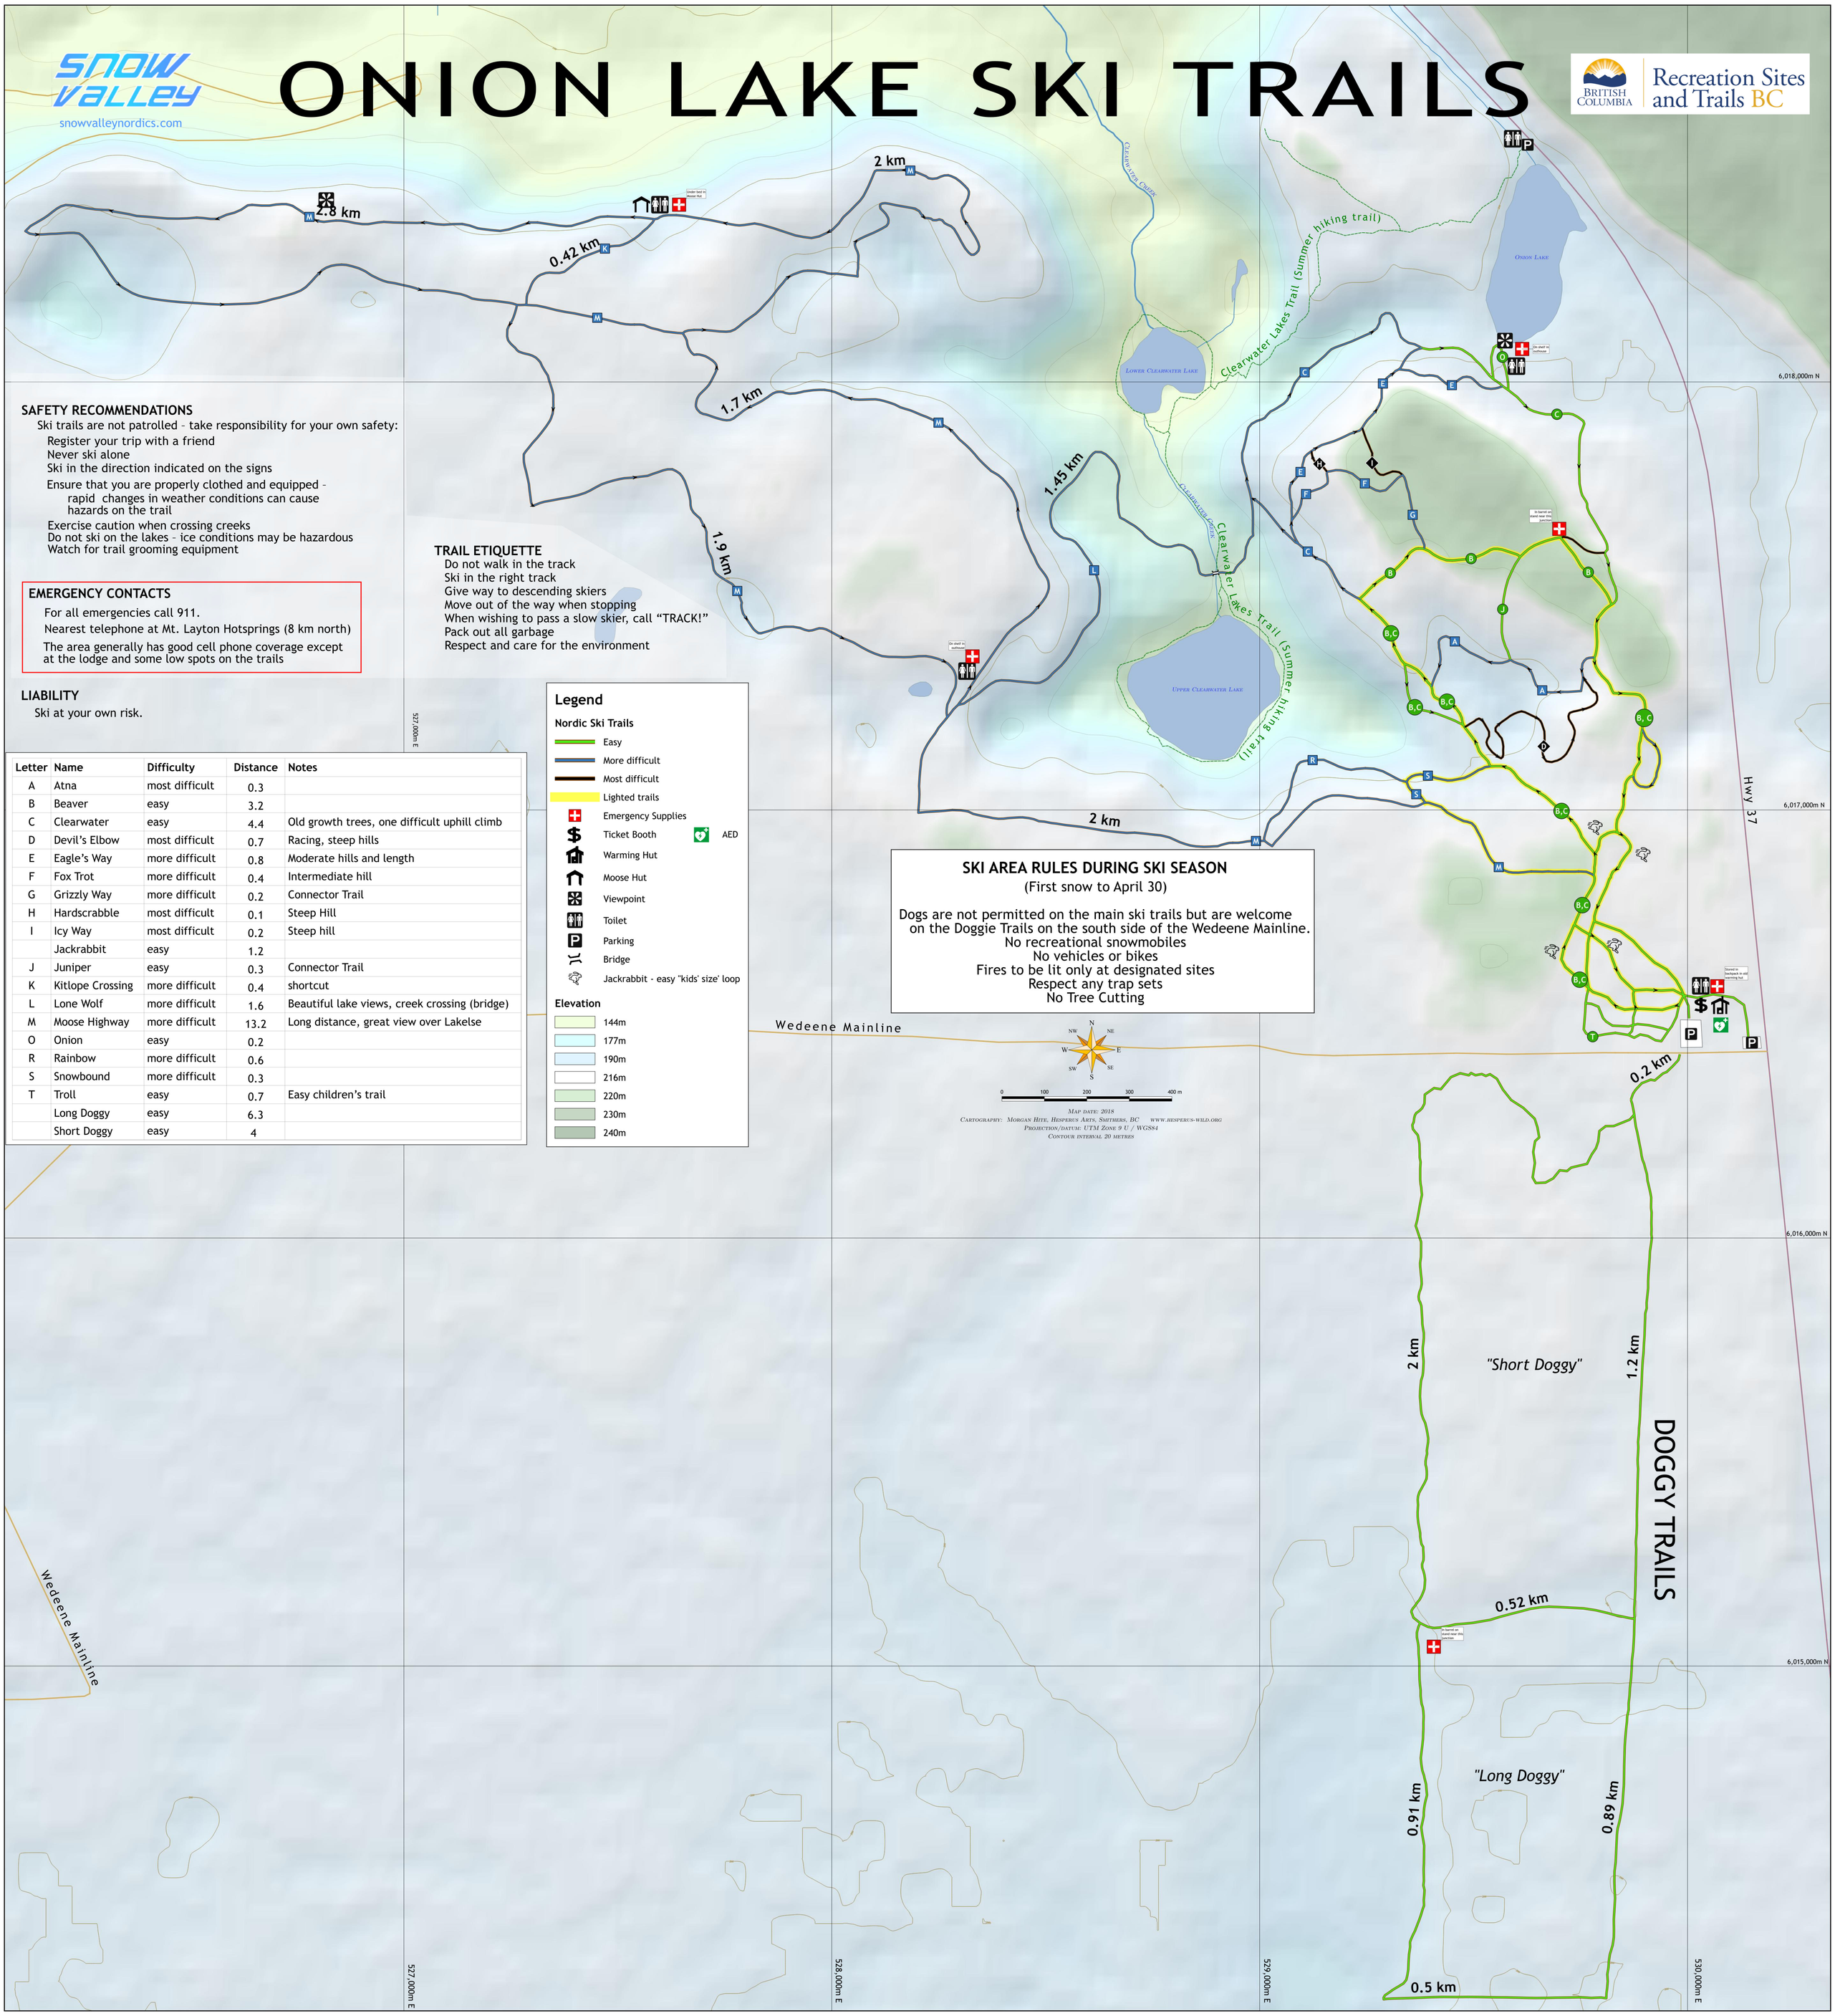
Recreation Sites and Trails BC



SAFETY RECOMMENDATIONS

Ski trails are not patrolled – take responsibility for your own safety:

- Register your trip with a friend
- Never ski alone
- Ski in the direction indicated on the signs
- Ensure that you are properly clothed and equipped – rapid changes in weather conditions can cause hazards on the trail
- Exercise caution when crossing creeks
- Do not ski on the lakes – ice conditions may be hazardous
- Watch for trail grooming equipment

EMERGENCY CONTACTS

For all emergencies call 911.

Nearest telephone at Mt. Layton Hotsprings (8 km north)

The area generally has good cell phone coverage except at the lodge and some low spots on the trails

LIABILITY

Ski at your own risk.

TRAIL ETIQUETTE

- Do not walk in the track
- Ski in the right track
- Give way to descending skiers
- Move out of the way when stopping
- When wishing to pass a slow skier, call "TRACK!"
- Pack out all garbage
- Respect and care for the environment
