

Snow Valley Nordic Ski Club

Moose Hut Policy

Effective this ski season, members of the ski club and members of the general public will be able to book the Moose Hut (during the ski season), which is a change from the members-only policy that the club has had for years.

- All bookings are made through Duncan Stewart, by email or through the website.
- Depending on the time of season and the demand for bookings, persons or groups may be limited to one weekend night per year.
- A person or group can only have one booking at a time, and may attempt another booking after the original booked date.
- Bookings will be available for the whole season throughout the season (no 30-day limit for advance booking).
- Due to heavy demand in recent years, only one-night stays are allowed.
- Bookings will be accepted only after the ski trails officially open for the season.

Moose Hut overnight usage fees:

Ski club members: **free**

All **nonmembers** will pay the following:

Adults: \$40

Seniors/Youth/Students: \$30

Children 12 and under: \$20

All of the above fees *include* the cost of 2 day passes and usage of the Hut and facilities.

All fees must be paid by e-transfer (to snowtrez@gmail.com) **within 24 hours** of the booking. No refunds. Failure to pay on time will result in a cancelled booking and we would make that date available for others seeking the overnight facility.

Day users may use the hut for a rest stop; if overnight users are in the facility, please share the shelter with the day skiers if they seek a rest.

Emergencies always take priority.

Rules are posted in the Moose Hut and are also provided to all who make their bookings through the Moose Hut contact.

The Moose Hut is a wonderful asset to our club facilities; please look after it, leave dry wood for the next person, pack out your garbage, and nonmembers can skip the fee system by becoming club members!

SVNSC Executive, November 2021
